Why We're Better

Ron Seils

Brad Mattar

- **"Diagnosis Before Prescription"** which means you'll get consultative solutions that will deliver results that meet your goals
- Faster and more responsive **24/7 Customer Service** because we don't have to rely on a manufacturer to respond to your needs
- Certified **Vending Service Experts** on staff who are ready to help you whenever you call

Vending Saves YOU Money

Indirect Material Consumption Reduction

- 15% to 30% Savings Consistently
- Cost Accounting at the Point of Use

Inventory Level Reduction

- 15% to 40% Reduction in On-Hand Inventory
- Reduce/Eliminate Employee Hoarding

Labor Productivity Gains

- Reduced Travel Time
- Increased Production Time
- Reduced Staffing requirements

Reduced Procurement Costs

- Automated re-ordering: Internal & External
- Reduce/Eliminate Redundant Data Entry
- Reduce Expedited Orders and Stock Outs

Customized For Your Needs

Solutions to fit your your supply challenges and MRO needs, including flexibility on item selection- whether it's:

- Power Tools
- Drill Bits
- First Aid
- Office Supplies
- Specialized Clothing
- **& Much More**

Turn **Data** into **Savings!**

- Comprehensive Reporting
- No Software Licenses - concurrent administrators & users
- Web-based & professionally hosted
- Monitor usage patterns
- Monitor inventory levels
- No local servers to manage
- Individual user permissions
- Full reporting with flexible filters to customize views and information
- Schedule automatic reports to be emailed to key members of supply chain
