Keeping Workers Safe Since 1977

The seasons change, but the job doesn't stop. Whether it's freezing mornings up north or cool nights down south, you need gear you can count on.

Inside you'll find the cold-weather PPE essentials our customers rely on most — gloves, outerwear, boots, and more — plus everything to help you tackle ice, snow, and slippery conditions.

These are products we stand behind because we've seen them hold up where it matters: on real job sites, in real weather, with real crews.

Count on DiVal to keep you working safe, comfortable, and prepared — no matter what the weather throws your way.
