PROTECTING WORKERS SINCE 1977

When the heat sets in, you need gear that can keep up. Inside, you'll find the warm-weather essentials you rely on most — cooling gear, breathable workwear, hydration solutions, and more — everything your crews need to stay safe and productive as temperatures rise.

We stand behind these products because we've seen them perform where it matters: on real job sites, in real heat, with real crews. And beyond quality gear, DiVal delivers the safety services and support you depend on year after year. When the heat is on, count on DiVal to keep you safe, comfortable, and ready for whatever the season brings.

Type I Steel Safety Cans

- Designed with a single spout for filling and pouring
- Sealed lid features automatic positive-pressure relief vents between 3 and 5 psig (0.2 and 0.35 bar) for ruptures or explosions
- Made from high-grade coated steel, each can is tested to guarantee 100% leakproof construction
- Tough powder-coat finish resists chemicals and stands up to demands of rigorous use
- Equipped with a stainless steel flame arrester which dissipates heat to stop flashback ignition
- Cans up to 1 quart (1L) feature a trigger-release handle, while larger capacities have a swinging handle for carrying heavier loads
- Large rounded bowl provides protection from splashing and spillage
- Durable construction holds up to heavy use
- Use a Type I safety can funnel to pour into smaller openings
- This polypropylene funnel attaches to the spout neck of Type I Safety cans that are sized 1-gallon (4L) and larger
- The two-position funnel folds down for when you fill or store the can, and stays up for when you pour
