

Starting **October 2, 2025**, the web address for this site will change from **Galeton.com** to **DiValSafety.com**.

The site itself isn't changing — you'll still find the same products, place orders the same way, and access your account just like you do now. The only difference is that you'll be directed to www.DiValSafety.com instead of www.Galeton.com.

If you've bookmarked this site, update those links to **DiValSafety.com**. Everything else will work just as it does now.

What to Expect:

- If you regularly order online, your account has likely already been set up on the new site.
- Some users will receive a welcome email with instructions on how to log in for the first time, including a temporary password.
- If you're not sure whether you need to take action, you can contact us for help.
